

Santa Fe Black Cherry
Vented Gas Logs

The Western Collection Series

Features:

- Total of 10 individually crafted logs.
- Lifetime warranty for log sets.
- "Stadium" burner system engineered to create an incredibly colorful and realistic flame pattern.
- Stadium burner generates substantial radiant heat.
- Burner system engineered to hide unsightly valves and control dials.
- For the discerning taste, "Triple Layer" hand-painted log detail.
- Platinum embers create the most natural-looking glowing ember bed.

Benefits:

- Beautiful natural looking flames that dance and curl around logs to mirror nature's unique design.
- Warmth of fire created by the highly efficient burner system.
- Attractive hand-painted logs are very appealing even when they are not burning.
- Years of maintenance-free care.
- Quick and easy setup, only gas line is needed to get started.

Options:

- LP or Natural gas availability.
- Available in 18", 24", and 30" sizes.
- Valves are available in manual or remote ready.

The "Ultimate in Realism" created by the perfect blend of Art & Engineering
