

## LIVE OAK 18"

The Live Oak log set is designed for multiple configurations. As shown below the Front log is reversible. The diagrams depict only one option but many of the logs are reversible and it is a matter of the customer preference as to how to place the logs.

Step 1: Place the back log (H-0882) as shown below.

Step 2: Place the front log (H-0884) in the configuration of your choice as shown below.
