

HEATMASTER™

Blue Ridge Blaze 36/42
Vented Gas Logs

Features:

- Individually crafted logs. Also includes 1 half pine cone.
- Lifetime warranty for log sets.
- Three tier “Stadium” burner system engineered to create an incredibly colorful and realistic flame pattern.
- Platinum embers create three of the most natural-looking glowing ember beds.
- Stadium burner generates substantial radiant heat.
- Burner system designed to hide unsightly valves and control dials.
- For distinguished taste, “Triple Layer” hand painted log detail.

Benefits:

- Beautiful natural looking flames that dance and curl around logs to mirror nature’s unique design.
- Warmth of fire created by the highly efficient burner system.
- Attractive hand-painted logs are very appealing even when not burning.
- Years of maintenance-free care.
- Quick and easy setup, only gas line is needed to get started.

Options:

- Available in LP or Natural gas.
- Available in 36/42” .
- Valve can be manual, remote ready or Intermittent pilot ignition.
